THE ALDERMEN.

Business Transacted at the Meeting Last night.

The board met in regular session. Mayor Nelson in the chair. All present except Merritt and McKinney, who are out of the city.

The Southside Hose Company presented a petition asking an increase of \$17.50 per month, making in all \$30, for the maintenance of horse and driver, and asking that the driver be given police powers in that portion of the city. Granted.

Alderman Shaw moved that the street committee be instructed to lay off Chestnut street at once, and that the city engineer be required to make a map of the said street. Motion carried.

A petition was presented, signed by citizens on church street, asking for the widening of said street, the citizens to give land for the additional width. Every resident save one signed the petition, which was referred to the street committee.

Alderman Bogart offered an ordinance fixing hack fares in the city limits. Maximum rate for adults was fixed at 25 cents; children under 12, 15 cents. Adopted.

Board adjourned to meet next Friday night.

SOME NOTORIOUS ROBBERS.

Believed to be the Men Who Visited This Section Last Year.

Three notorious robbers, two named Jones and one Johnson, were brought here last night from South Carolina and placed in jail. They are enroute to the U. S. prison at Raleigh where they will be taken in a few days. They have been in jail at Greenville, Columbia, Barnesville, and Charleston, S. C. They broke jail at Barnesville and were at large for several weeks, during which time they went through Louisiana, Kentucky, and Tennessee. A large reward was offered and they were arrested in Knoxville and carried back to South Carolina. They were charged and convicted of robbing the post office and bank at Greenville, S. C. The marshal who brought them here thinks they are the same men who robbed a safe at Guilford College and committed other robberies in this section about a year ago.

One of the prisoners started to show our reporter an account of the robbery in a Greenville paper but a wink from another settled the matter and he was unable, under any circumstances, to get a look at the paper.

Johnson is fifty-nine years old and the Jones 17 and 30, respectively.

FOOT BALL.

Meeting for Organization, etc., to be held Monday Night.

The foot ball season is almost upon us, and our boys are beginning to get themselves in shape to do some good work. A meeting will be held at the sporting goods house of Garland Daniel next Monday night for the purpose of formulating plans for the season. The captain says that in thirty days time he will have the best team the city has ever produced, and be ready to tackle anything on the gridiron in this neck of the woods. New men, as well as all old players, who may want to take part in the work of the team are requested to be on hand at the meeting Monday night, at 8:00 o'clock so that a good start may be made.

Time Near at Hand.

The republican county convention meets in the court house here next Monday. Candidates for the different offices are plentiful and men who two months ago didn't notice the farmers' wagons can now be seen around the hitching lots shaking hands, praising produce and asking for votes on every hand. Ed. Ragan, "the present incumbent" is pretty sure of the nomination for clerk of the court, but not so sure of being elected if nominated.

PRESIDENT TO GEN. GORDON.

Asked to Serve on a Commission to Investigate Army Departments.

Atlanta, Ga., Sept. 9.—A telegram from President McKinley was received to-day by the family of General John B. Gordon, asking the General to accept a position as a member of a commission to investigate into the conduct of the commissary and medical departments of the army in the recent war with Spain.

The telegram did not state who the other members of the investigating board would be, and closed with a request for a serious consideration of the offer.

General Gordon is at Reynolds, Ga., to-night, and inaccessible. President McKinley's telegram was forwarded to him.

TEN THOUSAND INSURGENTS

Are Around Havana and Want to Enter The City.

THEY COME IN PEACE, NOT WAR

Authorities Fear Trouble If Insurgents Enter—Suffering Intense in the Cuban Villages.

By Cable to THE TELEGRAM.

Havana, Sept. 10.—Ten thousand insurgents, under command of General Rodriguez and General Diaz, have surrounded Havana, and will attempt to enter the city during the stay of the peace commissioners here. With them are many reconcentrados who are suffering from hunger.

Thus far they have remained several miles from the Spanish lines and no threatening demonstrations have been made, but persons in authority fear that serious trouble will result if an attempt to enter Havana is made. The insurgents, however, declare their coming is with no warlike intention. They think they should be allowed to enter Havana peaceably. The greatest suffering is said to exist in the villages of the province.

EMPRESS ASSASSINATED.

While Walking from her Hotel to the Boat Landing.

By Cable to THE TELEGRAM.

Geneva, Switzerland, Sept. 10.—The empress of Austria was assassinated at Hotel Beauvillage this afternoon by an anarchist, who was arrested. He stabbed her majesty with a stiletto.

It appears that the empress was walking from the hotel to the steamer landing, about 1 o'clock, when an Italian anarchist suddenly approached and stabbed her to the heart. The empress fell, but arose and was carried to the steamer unconscious, and the boat started, but seeing she did not recover consciousness the captain returned. The empress was carried to hotel Beauvillage, where she expired.

Hospital Ship Arrives.

By Wire to THE TELEGRAM.

Wickoff, Sept. 10.—The hospital ship Missouri arrived off shore this morning with thirty-five men of the Seventy-first regiment who were left at Santiago. They are all doing well and in good condition. The Vigilance was sighted shortly afterward.

Later—Ten men died aboard the Missouri during the voyage. The Missouri and Vigilance are from Santiago and Siboney and are supposed to have about nine hundred soldiers on board.

TURKEY MUST KNUCKLE

Or Receive a Shower of Shot and Shell at 5 O'Clock.

By Cable to THE TELEGRAM.

Canea, Island of Crete, Sept. 10.—The admirals of the Powers have hoisted their flags over the forts at Candia, and have given the Turkish commander until 5 o'clock this afternoon to lay down arms. If the demand is not complied with by that time the town will be bombarded by the warships in the bay.

A Royal Welcome.

By Wire to THE TELEGRAM.

New York, Sept. 10.—The transport Mississippi, with Miles' famous fighting troops, A, of Manhattan, and B, of Brooklyn, arrived this morning. The vessel also carried Battery A, of the first city troops, Philadelphia, Sheridan's troops, of Tyronce, and Governor's troops, of Harrisburg. Tugs carrying New Yorkers and Pennsylvanians went out to meet them and give them a royal welcome.

The Wheat Cleaner.

An exhibition of the Wheat grain hopper and separator was given in front of the court house today. Several bushels of wheat were run through the machine and came out thoroughly cleaned. Several farmers who saw the exhibition expressed satisfaction with the work done by it. It is of simple mechanism and was invented and is manufactured by Albert Walker, a mechanic, of Winston.

Furniture Factory Fire.

A special from Elkin to the Charlotte Observer says: Yesterday afternoon about 4 o'clock the factory of the Green & Gray Furniture Co. was discovered to be on fire. A crowd of citizens soon gathered and extinguished the flames without much difficulty. Had it burned two minutes longer, the factory, as well as several other buildings near by, would have been destroyed. The fire originated from a spark from the smokestack.

HE FEELS AGGRIEVED.

A Slight Correction in One of Yesterday's Items.

"Monk" Orrell, who was reported yesterday to have been placed in the lock-up for having broken into a house, called this morning to say we had done him a great injustice and that he was never placed in the lock-up. On investigation we find that it was "Monk's" brother, Ed Orrell, who was locked up along with a fellow named Robertson, and that the officer started to lock "Monk" up but that he gave bond.

They were tried on two charges—housebreaking and assault. On the first-named they were bound over to court and the latter was dismissed. We are further informed by one of the officers making the arrests that the aggrieved member of the self-styled "Jesse James gang," Monk Orrell, is the man whom the evidence showed forced the entrance to the house. We are unwilling that an injustice be done any one at our hands—hence the correction.

A FUSION CANDIDATE

Made a Spectacle of Himself on the Streets of Monroe.

L. B. Wetmore, fusion candidate for solicitor in the Eleventh district, made a spectacle of himself in Monroe Sunday before last. The Monroe Journal of the 1st inst. says of him: "On last Sunday he was publicly drunk on the streets of Monroe, and exhibited a pistol in a public place, and made a general spectacle of himself."

And thus it goes, the moral of the whole disgraceful condition of politics in this state being that white men who sell themselves to negroes for office are not fit, morally, mentally, or in any other way, to hold office.—Wadesboro Messenger.

WHITE POLICEMEN ON A SPREE.

Struts Down the Street for the Admiration of the People.

A Wilmington despatch of the 8th says:

A distressing sight was witnessed yesterday afternoon, though it has not been an uncommon one since the present administration began to administer (?) in these diggings. A white policeman, in uniform, was seen staggering along Front street with so much liquor aboard that he could hardly navigate under reefed topsails. This is not the first offense of this officer, if all reports are true, as it is said that he very frequently gets in the condition in which he was seen yesterday.

On Monday afternoon another white policeman, also in uniform, was observed in the same condition on the same street. And these are the honorable guardians (?) of the law who are appointed by Russell's gang to protect our lives and property.

"I'll Say Nothing."

A Journal correspondent visited General Shafter, who still has his headquarters in his tent at the detention camp, and read to him General Miles' statement. General Shafter listened with keenest attention and at its end said: "So Miles said all that, did he? Well, I'll say nothing." That was every word he would utter.

A Native of Forsyth.

Thomas Russell has pardoned Governor Lee, a native of Forsyth county, who, fourteen years ago, when only fourteen years of age, killed a man in Orange county and was sentenced to twenty years in the penitentiary. By an explosion while he was working on the Western North Carolina railway Lee lost an eye.—Winston Sentinel.

Shafter at Washington.

By wire to THE TELEGRAM.

Washington, Sept. 10.—Gen. Shafter went to the war department this morning and afterward had a long conference with Gen. Corbin. He brought with him a large captured Spanish flag. He will make his report tomorrow.

G. F. College Opening.

The Greensboro papers convey the good news that the opening of Greensboro Female college is the best in the history of that old and famous institution of learning. It deserves it, for although it has always been well conducted, there never was a time when it was better equipped than now.—Raleigh News.

AN IMPORTANT INCIDENT.

The Anglo-Egyptian Commander Will Investigate

FIRE ON INQUISITIVE STEAMERS

And Bullets Found Seem to Indicate that the Intruders are a Force of French Troops.

By Cable to THE TELEGRAM.

Omdurman, Sept. 7.—Delayed—An important incident occurred this morning. It appears that Khalifa Abdullah, a few days before the arrival of the Anglo-Egyptian army, heard that a force of white men had occupied Foshoda, a town on the west bank of the White Nile, and the capital of a very fertile and densely populated district. Foshoda is about 400 miles south of Khartoum.

Khalifa immediately sent two steamers to investigate the report, one of which returned this morning and surrendered to Gen. Kitchener. The commander of the steamer reported that on his arrival at Foshoda he found that place occupied by a force of whites.

The latter opened a heavy fire on the steamer, which narrowly escaped annihilation, the crew having many killed and wounded.

From bullets found embedded in the hull of the steamer, it seems to be certain that the whites at Foshoda are a force of French troops, and a British commander will send a flotilla of gunboats up the White Nile to investigate the affair.

The Anglo-Egyptian cavalry have captured the principal wife of Khalifa, mother of Osman Digna, and Sheikh Eddin, who were found in extreme destitution on the left bank of the Nile.

LONDON'S OPINION.

London, Sept. 10.—It is believed here that the French force at Foshoda is Major Marchand's exploring party, and it is not thought likely they will attempt to exercise any rights in the Sudan in behalf of France.

CONGRESSMAN WHITE SNUBBED.

Even a Negro Convention Refused to Hear Him.

Weldon, N. C., Sept. 9.—The republicans of Halifax county held their convention in the court house yesterday. It was a typical negro convention, and Chairman Furgeson looked mighty lonesome as he rapped the convention to order, surrounded by a very dark cloud of sable constituents. He had a communication signed by Cy. Thompson and A. E. Holton for their respective parties recommending fusion in all the counties of the state. The straight-out republicans, led by Joe Wood and J. H. Harmon, kicked like steers against fusion, and everybody arose to speak at once. It appeared as if all the evil spirits of the inferno had been suddenly unchained and the air became sulphurous. The fusionists, or pie brigade, however, carried the day, and the regulars were forced to retire.

Congressman George White was present and desired to speak, but the convention was in no humor for hearing even a congressman, and the opposition to his being heard was so strong that White put his hat on and walked out. The only negro congressman in the United States snubbed by a negro convention, and in his own district! It did not appear to sit well upon the pompous congressman, and his face plainly showed the workings of his heart as he hastily left the building.

The following nominations were made:

Register of deeds, Mack M. Furgeson.

Sheriff, J. T. Dawson.

Coroner, G. A. Branch.

County commissioner, W. B. Smith, colored.

Members of the house, J. H. Arrington and Columbus Baker, both negroes.

The rest of the ticket is left for the populists to fill out. And so white men are to vote for these negroes instead of for good democrats who will be put in opposition. Shades of the departed, "where are we at" when such a crowd as that assembled yesterday is to control the affairs of Halifax county? I do not believe the best thinking populists can swallow the ticket.

Horrible.

"Think of those poor fellows who will have to fight under the blazing hot Cuban sun!"

"Yes, but think of those who will have to fight under some famous man's son!"—Philadelphia North American.

PRAISE FOR BROOKS.

A Wiser Nomination Could Not Have Been Made.

A special from Durham to the News and Observer, in speaking of the nomination of A. L. Brooks, of this city, for solicitor, says:

All the counties were represented and after canvassing the matter thoroughly, Mr. Ambrey L. Brooks, of Greensboro, was nominated for solicitor. A wiser nomination could not have been made and the best judges confidently predict his triumphant election in November next. He is a native of Person and will carry that county by an overwhelming majority. Mr. Brooks is a young man, but has already distinguished himself for legal acumen and as an advocate is the peer of any man in the Fifth Judicial district. As a campaigner there is none better and wherever he speaks votes will be won for him and the cause he espouses.

Dreyfus Stock Goes Down.

By Cable to THE TELEGRAM.

Paris, Sept. 10.—There is a lull in the Dreyfus affair. It is believed that the real difficulty in the way of a revision is that the only documents really to be relied upon are those said to have been obtained illicitly from the foreign embassy, and the government is beginning to doubt their authenticity.

Bayard Weaker.

The populist congressional convention of the Fourth district Thursday night nominated J. J. Jenkins, the present sheriff of Chatham county, for congress. Hon. W. F. Stroud, of Chatham, was before the convention for the nomination for the third term; but he has not been true enough to the republican wing of the fusion machine and he was knifed.

The work of the executive committee yesterday at Durham in naming Mr. A. L. Brooks, of this city, as democratic candidate for solicitor presages success at the polls in November. There were only two men before the committee, R. H. Hayes, of Pittsboro, and Mr. Brooks. It was therefore impossible to make a mistake as the candidacy would have been in good hands with either of these gentlemen. But Mr. Brooks was chosen and will be a winner. He is clean and he is able. He is a splendid speaker, exceedingly popular wherever known and makes new friends easily wherever he goes.

CAN'T STAND FUSION.

We take the following letter from the Siler City Messenger. We know the writer well and he is an intelligent and highly respected citizen. He was a gallant Confederate soldier, though quite a young man, and distinguished himself for his bravery and devotion to duty. He was a neighbor to this writer in 1892 when he left the democratic party and he was sincere and honest in his convictions. He is equally sincere and honest in what he says now. What "Buck" Edwards says may be depended upon. He is a leader of thought in his section and where he goes somebody else will follow.

Simmon Grove, N. C., Sept. 6.

Mr. Editor: For the last few months I have had many inquiries from different friends throughout the county as to the stand I would take in the next campaign if a fusion was made with the republicans and populists, and invariably I have answered that I would not support the ticket. And I will assign a few reasons for the course I am going to pursue.

In the first place if it had been pie that I was after it would have been policy to have remained with the populist party. But I wish to leave to my posterity a political record in which every step I have made was with a pure motive, and for bettering the condition of our fellow man. And

that no vote or step should be construed to mean anything but white supremacy in North Carolina.

It is true I became disgusted with Cleveland democracy and believing that through the people's party was the best way to secure reform I became a member of it, and worked zealously for it. But when the time comes that it is a party of merchandise, offering to trade with the democrats, and also with the republicans, for the sake of a few obtaining pie, regardless of any principle, I felt it my duty to say to my friends I cannot and will not support it.

I am glad to say that I believe that the people's party has accomplished some good, but am sorry to say that through unprincipled and designing politicians we have been badly deceived; and the reduction of salaries have only been felt by those who got the pie. The time has come that if it was not for the pie hunters in North Carolina all white men would vote as the negroes do; in one solid phalanx, for a white man's government. I expect some criticism, but I have little faith in any man who has honest convictions, but for fear of unpopularity will not express them. To all such I would say that I have no axe to grind, but that me and many of my friends will be found right side up on the day of election.

W. W. Edwards.

HIS RECKLESSNESS.

We take the following from an able editorial in the Raleigh Morning Post. Editor Furman packs the whole situation into this one paragraph:

The recklessness with which Judge Clark charges everybody who differs with him with falseness is only equal to the avidity with which he seizes on all kinds of reckless rumors which can be construed into his favor. Bishop Duncan, Major Duncan, Governor Ellerbe, United States Senator McLaurin, Rev. H. F. Christy, the board of trustees of Trinity College, the members of the North Carolina and the Western North Carolina Conferences, the college faculty—all go down before his assertions. The South Carolina gentlemen happen to differ with him in their view of Dr. Kilgo's reputation, but they are bulldozed and Bishop Duncan is the man who does it. The trustees cannot see Judge Clark's charges in the first instance to be just, and they are prejudiced, false, and sold out to the trust. The District Conferences endorse Dr. Kilgo and they are manipulated. The case goes against him and Mr. Oglesby is bought up. In the name of justice there is no honor left among these men? The verdict of the board was unanimous. Was there not one man out of twenty-one preachers and laymen who was honest?

JUDGE ADAMS INFAMOUS CHARGE

The Whiteville News Reaffirms its Former Report.

The following is taken from today's Raleigh News and Observer:

The Whiteville News this week reaffirms its report of the charge made to the jury by Judge Adams, which was almost as vile and infamous as the words used by the negro editor in Wilmington. It says its original report was literally correct, as the "material points were taken down almost by the time the sound of the judge's words died away."

It also says that "no one who heard Judge Adams' charge to the grand jury has made, in good faith, a denial of the correctness of the report."

It also publishes the following letter from Mr. J. W. Dickson, at present a member of the board of education of Columbus county:

Lake Waccamaw, N. C., Sept. 5.

Mr. Editor: In reply to yours asking me if I thought you misquoted or misrepresented the judge in your report of what he said in his charge to the grand jury August 11th, I would say this:

Of what he said under the three different heads—1st, embezzlement by guardians, administrators, etc.; 2d, f. and a.; 3d, rape, seduction, etc.—your report of it, to the best of my recollection, is correct. If it is not verbatim (and I think it is) it is nearly so, and the words you use make it no stronger than those used by the judge himself.

As to your criticisms or the construction you put upon it, I have nothing to say. Every person is at liberty to put their own construction upon what they hear or read. I have long felt that it was every good citizen's duty to discourage and keep down race troubles and difficulties as much as possible, but on the other hand I think such language as the judge himself used is calculated to stir up some of it. And, Mr. Editor, allow me to add my testimony to that of Mr. Schulken, that "he did give the folks the devil," and that that was what he intended to do, there can be no mistake.

J. W. Dickson.

The following letter also appears in the News:

Bolton, N. C., Aug. 31.

Editor News: I was not in the court

house when Judge Adams delivered his charge to the grand jury, and consequently did not hear it, but I heard Mr. S. B. King, foreman of the grand jury, say that night he would not have expected to have heard more from him if he had been making a political speech, and that he would be glad if Judge Adams could read his charge in the papers before he left Whiteville. Mr. C. F. Clark, one of the regular jurors, told me since court that he heard the charge, and that it was about the same as published in the News with other court proceedings. I am sorry to think that he would make such a charge. I had the pleasure of being with him some and found him to be very clever.

Respectfully yours,

A. T. Clark.

The regular correspondent of the News, writing from Carner's Creek, says:

In talking with the Columbus people I mentioned the controversy between the News and Mr. Lewis, I saw several men who say they heard Judge Adams' speech, and that the News did report him correctly. One magistrate and one merchant told me they heard the foreman of the grand jury speaking of it before it appeared in the News. The general impression with all with whom I spoke is that Mr. Lewis has made a very serious mistake in trying to sustain Judge Adams. One man said that if it was a question of veracity he could get a hundred good men to certify that the News was correct.

Respectfully,

A. A. Troy.

Free Pills.

Send your address to H. E. Bucklen & Co., Chicago, and get a free sample box of Dr. King's New Life Pills. A trial will convince you of their merits. These pills are easy in action and are particularly effective in the cure of constipation and sick headache. For malaria and liver troubles they have been proved invaluable. They are guaranteed to be perfectly free from every deleterious substance and to be purely vegetable. They do not weaken by their action, but by giving tone to stomach and bowels greatly invigorate the system. Regular size 25c per box. Sold by C. E. Holton, druggist.

You invite disappointment when you experiment. DeWitt's Little Early Risers are pleasant, easy, thorough little pills. They cure constipation and sick headache just as sure as you take them. Howard Gardner.

A CRITICAL TIME

During the Battle

of Santiago.

SICK OR WELL, A RUSH
NIGHT AND DAY.

The Packers at the Battle of Santiago

de Cuba were all Heroes. Their

Heroic Efforts in Getting Ammu-
nition and Rations to the Front

Saved the Day.

P. E. Butler, of pack-train No. 3,

writing from Santiago, De Cuba, on

July 23rd, says: "We all had diar-
rhea in more or less violent form,

and when we loaded we had no time
to see a doctor, for it was a case of
rush and rush night and day to keep
the troops supplied with ammunition
and rations, but thanks to Cham-
berlain's Colic, Cholera and Diarrhoea
Remedy, we were able to keep at work
and keep our health; in fact, I sin-
cerely believe that at one critical time
this medicine was the indirect saviour
of our army, for if the packers had
been unable to work there would have
been no way of getting supplies to the
front. There were no roads that a
wagon train could use. My comrade
and myself had the good fortune to
lay in a supply of this medicine for
our pack-train before we left Tampa,
and I know in four cases it absolute-
ly saved life."

The above letter was written to the

manufacturers of this medicine, the

Chamberlain Medicine Co., of Des

Moines, Iowa. For sale by C. E.

Holton.

The Fentress copper mine, about
eleven miles from Greensboro, is now
being operated by a New York capi-
talist. We understand that the mine
is paying well.

President Geo. T. Winston, of the
University of Texas, and Mrs. Win-
ston arrived in the city at noon today
from Raleigh and will remain until
next Wednesday, the guests of Presi-
dent McIver, of the Normal.

As the fall approaches the number
of wagons on our streets grows larger
and produce is coming in by the load.
The produce dealers are doing a good
business and the farmers are well
pleased with the prices they receive
for their farm products.

Mr. W. H. Matthews left last night
on an extended business trip in the
north buying the fall and winter stock
of goods for Matthews, Chisholm &
Stroud. This firm will put in the
largest stock of clothing and gents
furnishings they have ever had and
the fact that Mr. Matthews is to select
it is assurance that they will have a
"nobby" line.

Miss Jeannette Marshall, a lovely
and charming young lady of Norfolk,
who has been visiting her cousins,
Misses Grace and Mary Clary, left
today for Durham, where she will
spend a short while visiting friends
before returning home. Miss Mar-
shall made many friends while here
who hope she may soon visit the "City
of Flowers" again.

Messrs. H. H. Cartland and G. G.
Fowler returned yesterday afternoon
from an extended business trip
through the eastern part of the state
in the interest of Mr. Cartland's tail-
oring establishment. We learn that this
was the most successful trip they have
ever made. Mr. Cartland is perhaps
the best known tailor in North Caro-
lina and his goods are known and
worn all over the state.

More people die in war by disease than by bul-

victims of an invisible enemy, lurking in the air.
